

<p>1. How long it took to complete the main story</p>	<ul style="list-style-type: none"> • Dull but at least they have insurance. • Fascinating. Rarely have I encountered someone so deluded. • An intriguing case. • Remarkable - a true sociopath. • Hmmmm... words fail me. • I sincerely hope someone arrests this maniac very soon. • Deranged. Seriously deranged. • Bit of a confusing case - not really sure where to begin. • Not sure what to make of this one - interesting, up to a point, but also very, very boring. • A bit of a tragic case - riddled with contradictory issues. • This lunatic will retire me. • Terrifying. Deluded, lonely, desperate and vain. • I get the feeling I will be seeing this one a lot. • So needy and vain. • Like most of my patients, this one really finds themselves very interesting, but fails to see the true problems that underpin their issues. • Confusing - so many issues.
<p>2. Heist choice</p>	<ul style="list-style-type: none"> • Classic fence sitter! • Cannot make up mind - seemingly about anything. • Tries to do the right thing - poor judgement as to what that is. • Occasionally makes complex choices. • Definitely incapable of making a real decision. • Good at compromise. Not so good at willpower. • Compromise is the language of the devil - and this fool loves compromise. • Sees both sides of the argument - and can't make their mind up. • Tries to see good in everybody, with disastrous effects. • Decisively indecisive
<p>3. How many times you've admitted mistakes in earlier sessions</p>	<ul style="list-style-type: none"> • Scared of ageing. Which is a worry. • Doesn't hate self as much as any sane person would. • Classic case of father issues • Very large ego. • Self justifying fool. • in love with finding a reason as to why awful decisions are correct • In thrall to own baser desires. • Very grandiose. • Will find ageing very problematic. • Rarely seen someone with stranger base desires and less shame about them. • Riddled with ambition. • Not really capable of seeing how hypocritical their actions are - sees bad in others easily enough though. • Cannot give up childhood. • Likes to think of self as big cheese. • Wants a father figure. • Wants to see self as a leader. • Searching for a role model in all the wrong places. • Very grandiose. • Prone to bouts of self justification. • Searching for a role model in all the wrong places.
<p>4. Money expenditure</p>	<ul style="list-style-type: none"> • Loves showing off with money. • Will probably refuse to pay bill. • Financially irresponsible.

	<ul style="list-style-type: none"> • Classic consumer, trying to fill spiritual void with material possessions - should try to sell them a lot of my books, CDS etc. • Miser. • Careless with money. • Tight fisted in the extreme. • Loves showing off with money. • Terrified of life. • Overly generous - definitely insecure. • Tries to fill void with things. • Mean. Very mean. • Throws money around very freely - suggest sexual inadequacies - must investigate further. • Too easy with money • Pointlessly mean with money. • Irresponsible with money and with rest of life. • Reckless financially.
<p>5. Money spent at strip club</p>	<ul style="list-style-type: none"> • Desperate for female attention. • Thinks of self as above certain temptations. • Sense of superiority is really odd. • Prone to being judgmental about some weaknesses but not own. • Likes to stare. • Bizarre moralizer at times - which makes me laugh. • Creepy with women. • Sexually confused. • Very into showing off. • Loves to act like a big shot. • Possibly repressed. • Needy, somewhat creepy show off. • At times, can be oddly morally superior, which is incredible. • Superior - despite many obvious inadequacies. • Loves to act like a big shot • Prone to being judgmental about some weaknesses but not own. • Likes to buy attention. • Bit of a peeping tom.
<p>6. Prostitutes/strip clubs visits</p>	<ul style="list-style-type: none"> • Sexually repressed, which is a good thing. • Eager, desperate, malicious, heartless - classic psychopath. • Has some moral boundaries, it seems - just nowhere near enough. • Likes to use people • Sexually needy, heartless - uses and discards women - wonders why cannot form real relationships! • Rather watch than do - so can judge others. • Sexual risk taker - remember not to shake hands! • Uses women heartlessly - then again, no sane woman would want to know! • Sees self as savior of women - odd given certain behaviors. • Impressive array of sexual excesses - very desperate. • Seeks out love... in wrong places. • Repressed, in some ways - mostly sexual. Definitely a confusing area - must investigate further. • Possibly homosexual. Not sure they even know - imagine we will chat for many, many years, then they'll run off with a trucker. • Sexually judgmental about some things. • Treats women respectfully - when not killing them or their husbands • Definite whore / Madonna complex. More on the whore side of things.

<p>7. How many times you've assisted your family</p>	<ul style="list-style-type: none"> • Spends time with family - and manages not to kill them - maybe a possible sign of progress? • Lazy and solipsistic - then again, family is awful. • Decent member of family - unfortunately, family is awful! • Cares about family - so not totally solipsistic. • Very dependent on family for self-worth, which is odd. • Really not capable of giving to others. • Not good at giving time to others. • Must try to teach that there are other living creatures on the planet! • Not a good care giver. • Family focused - not sure why. • Loves family - having met them, not sure quite why. • Family minded for some reason. • Ignores family life. • Will probably get left by family. • Loyal to crazy family, which I suppose is a start. • Family minded. • Ignores people closest to him.
<p>8. Depends on dollar amount invested in the Stock Market and results (making a profit or not).</p>	<ul style="list-style-type: none"> • Greedy, prone to gambling - likely cause of addiction - remember to sell book. • Chancer. • Very into random speculation. • Avoids speculation. • Not exactly an investor. • Avoids get rich quick schemes, (aside from the armed robbery, mugging, etc). • Enjoys speculation. • Eager capitalist. • Wisely invests money - in insane speculations. • Very into random speculation. • Keen to be part of American dream, which is odd. • Scared of adult world. • Thinks they are a wise type who sees the bigger picture. • Falls for get rich quick schemes and other easy way outs. • Likes white collar crime almost as much as the blue collar variety. • Wisely invests money - in insane speculations • Will end up very rich or entirely bankrupt. Cannot decide which. • Investor type - which is odd given risk taking as unlikely to make old bones.
<p>9. Civilian kills (including Cops)</p>	<ul style="list-style-type: none"> • Makes up stories about random killings - at least I hope they are stories. • Frighteningly myopic about suffering (of others) • I wish I knew what meds to offer them - arsenic? • Terrifyingly insular. • Prone to random and futile outbursts of violence • Psychopath or sociopath? Both. • Vindictive in the extreme. • Needlessly vindictive. • Vindictive bully. • Easily offended to point of extreme rage.
<p>10. Store robberies</p>	<ul style="list-style-type: none"> • Sticks to tried and tested. • Desperately dishonest and violent regarding property of others. • Magpie who steal whatever takes their fancy, time and again. • Thief. Awful, bullying thief. Must try to sell them course work about this. • Not a kleptomaniac. Not hard to find other problems. • Probably not a full blown kleptomaniac. • Seems to be full blown kleptomaniac. • Kleptomaniac

	<ul style="list-style-type: none"> • Compulsive and repeat thief. • One person crime wave - who talks proudly of this country! • Respects some property rights - not others, of course. • Serial thief • Thieving kept to something of a minimum. • At least keeps the car stealing to minimum. • Seems to prefer well considered crimes - in some instances. • Tends to not steal too much more than situation requires - is that a good thing? I have no idea anymore • Frighteningly cold hearted about other people when it comes to property, etc.
<p>11. Yoga (and how good you are at it)</p>	<ul style="list-style-type: none"> • Not into yoga, it seems. • Not very into yoga, it seems. • Ignores anything spiritual. • Thought yoga was beneath them. Prefers mass murder as a way of calming the nerves. • Well, the yoga was not popular. Unlike the murder. • Now they are interested in yoga? • Yoga? No. not so much. Happier with lunacy. • Yoga? No. Murder? Yes! • Tried yoga but preferred murder? • Tried yoga - stuck to mayhem. Great. • Keen yogi? You have to be kidding me. • Not much of a yogi... hardly a surprise. • Seems to like yoga - I'd ask for my money back! • Wonder if devotion to yoga will influence murderous rages? • Attempts at spirituality not successful. Unlike crime career. • I thought yoga was meant to calm the mind?
<p>12. Exercise (tennis and triathlons)</p>	<ul style="list-style-type: none"> • Definitely not a fitness freak - just a freak. • Avoids strenuous exercise. • Over exercise not a vice! At least there's one... • Physically unambitious. • At least they don't over exercise • A freak of many things, but not of physical fitness. • At least they don't over exercise. • Psychotic about most things, but not exercise. • Lazy. • Lazy, lazy, lazy
<p>13. Random encounters</p>	<ul style="list-style-type: none"> • Makes friends easily - what kind of people I dread to think. • Makes friends easily. Poor friends. • Likes new people - or kills them. • Friendly, in a way. • Focused, in a fashion. • Seems to like strange people. • Seems to meet a lot of very strange people. • Friendly, but terrifying. • Out going and friendly, in a terrifying kind of way. • Easily distracted and eager to try new things, meet new people, cause new trouble! • Like strangers. • Seems to prefer a predictable life to the chaos of real life - unless they are one causing chaos. • Crazy but outgoing. • Avoids new people

14. Collectibles	<ul style="list-style-type: none">• A.D.D. ?• Possible A.D.D.?• Seems to have OCD, amongst other issues.• Distracted• Not able to really finish things they start.• Not a finisher.• Struggles to see things through to the end - sometimes.• Collector - possible obsessive.• Not bothered with tasks they deem 'boring'.• Not obsessive about some things.• Finds finishing jobs challenging.• Easily distracted• Lazy in some ways.
15. Final summary	<ul style="list-style-type: none">• Will make me retire... and emigrate.• A real mess.• Don't know if they need help, but I know I do!• Hmm... that's all I can say... hmmm.• Hmm... bat sh*t crazy.• I'm scared.• Dr Freud, Professor Jung. I beg you, help me!• What a f*cking mess!• I'm really confused - as crazy as anyone I've ever met.• Hmm - probably one to write about in next book.• Help!• Bizarre case study in excess.• Really wish they hadn't walked through my door.• Needs a lot of help - as do I!• I am very confused. Don't think I am the only one.• Not sure where this is leading - no where good.• Don't know exactly what to make of this one.• In my professional opinion, this one is a fucking nut job.
